

How to Sign-in and Sign-out at VicTouch

VicTouch is a touch screen-based Volunteer Information Center (abbreviated as "Vic") that allows volunteers to check-in and out upon arrival and departure from their volunteer service at the Nashville Humane Association.

Location of VicTouch Volunteer Sign-In Station

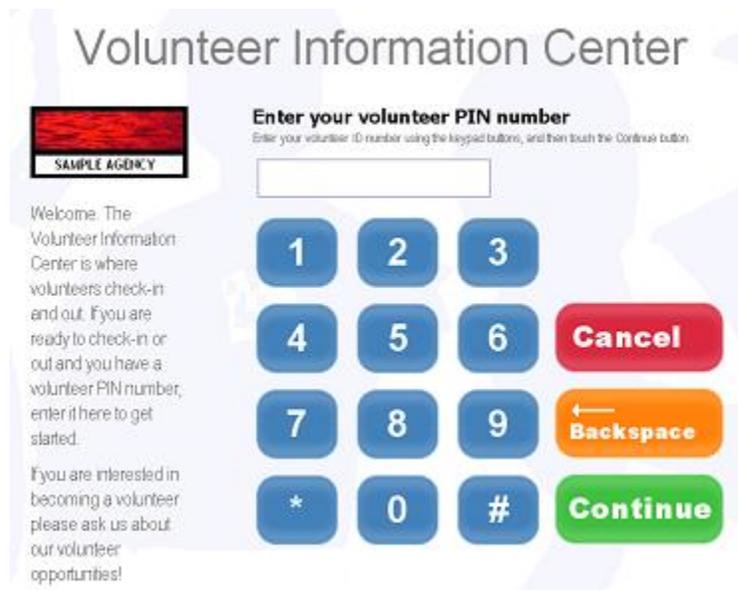

When you enter at the main entrance of the Nashville Humane Association, take an immediate left between the Dogs of the Week rooms and the front desk. This hallway will lead you through a door into an area with administrative offices and cubicles. Take a right at the first cubicle and on your left will be a computer. This computer is the VicTouch Volunteer Sign-in Station. Note: The Volunteer Coordinator's desk is the middle cubicle just across from the VicTouch station.

Sign-In

1. Enter your volunteer PIN number.

Each volunteer must have a PIN number before he/she can sign-in at VicTouch. This is typically your seven-digit phone number (without area code); your cell phone if you listed more than one number. If you ever forget your PIN number, please email volunteer@nashvillehumane.org to have it sent to you. You may also sign in on the paper sheet if you forget or the computer is down.

Enter your PIN number by touching the appropriate number buttons on the keypad.

The screenshot shows the 'Volunteer Information Center' interface. At the top, it says 'Enter your volunteer PIN number' with a sub-instruction: 'Enter your volunteer ID number using the keypad buttons, and then touch the Continue button.' Below this is a text input field. To the left of the keypad, there is a logo for 'SAMPLE AGENCY' and a welcome message: 'Welcome. The Volunteer Information Center is where volunteers check-in and out. If you are ready to check-in or out and you have a volunteer PIN number, enter it here to get started. If you are interested in becoming a volunteer please ask us about our volunteer opportunities!'. The keypad consists of blue buttons for digits 1-9, *, 0, and #. To the right of the keypad are three larger buttons: a red 'Cancel' button, an orange 'Backspace' button with a left arrow, and a green 'Continue' button.

After entering your PIN number, touch the **Continue** button.

2. Confirm your name.

The next screen in the check-in sequence will ask you to confirm your name.

If the screen displays the correct name, touch the **Yes** button. If the name displayed is not yours, touch the **No** button and try again.

To continue, touch the name of the Assignment you are there to perform.

5. Confirm the sign-in information.

At this point, you will need to confirm the information on the screen. This is important because the name, date, time and Assignment name indicated on this screen will be used to track your service.

Is this information correct?

If the information shown is correct, touch the Yes button. Touch the No button if you want to start over.

Once you confirm your selections, you are officially signed in.

Sign-Out

When you have completed your volunteer service, you will need to return to the VicTouch station to sign-out. The system needs both a sign-in and sign-out time to properly record your hours, so remembering to sign-out is very important.

The process for signing out of VicTouch is quite similar to signing in. Enter your PIN number, touch Continue, and confirm your identity. Touch the **Sign-Out** button on the VicTouch screen to initiate the check-out procedure.

If you are switching Assignments, touch the **Switch Assignments** button, and then choose the name of the Assignment you will be performing next.

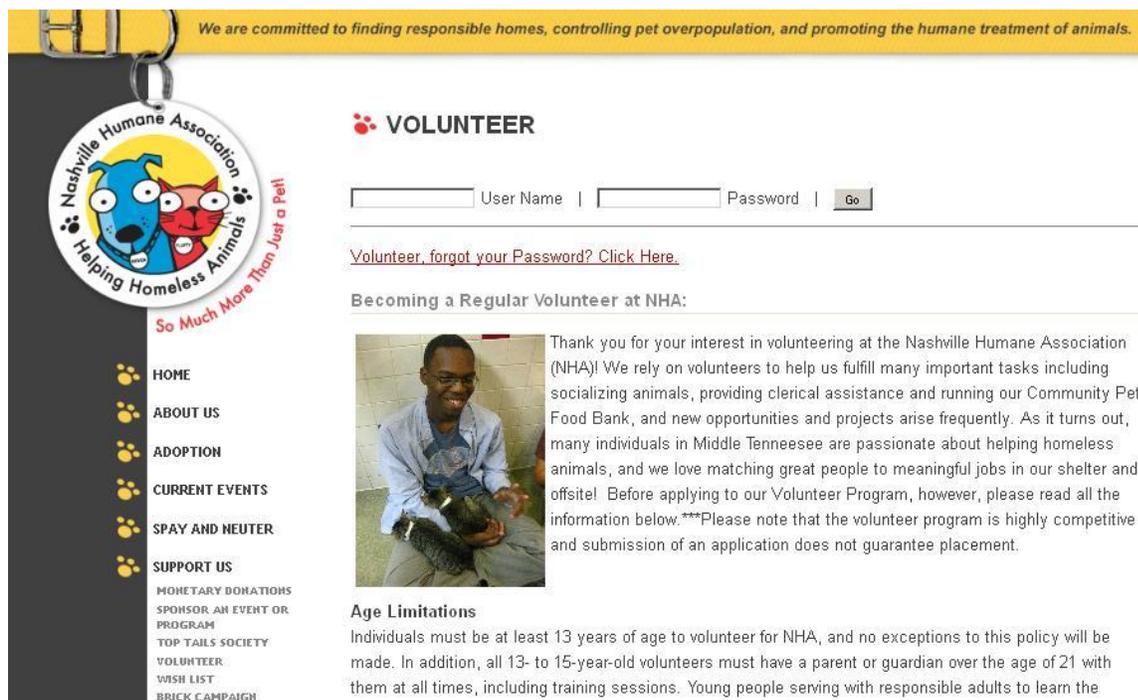

How To Schedule Volunteer Hours Using VicNet

The VicNet module allows volunteers to view and manage schedules, sign-up for vacant schedule openings, print schedules, update personal information, post hours, receive news and messages from the Volunteer Coordinator, check service records, print service reports, and change VicNet passwords.

NOTE: Scheduling your volunteer hours is particularly important for programs that require volunteer attendance such as the Food Bank and on our busiest days including Saturday and Sunday. If you have flexibility, please attempt to socialize animals during times when others are not signed up, so they may receive attention on an even schedule.
